

Great Results Guarantee

Under this agreement for 2014

Eagleby South State School will receive

\$126,616*

This funding will be used to

- Increase the number of students in years 3,5 & 7 achieving the NMS
- Increase the number of students in years 3,5 & 7 achieving in the U2B

Our strategy will be to

- Short Term - Implement targeted reading intervention in years 3, 5 & 7
- Medium Term - Engage additional teachers to support targeted reading and working memory programs
- Long Term - Build capacity of teachers to identify and cater to working memory deficits using evidence based programs
- Build capacity of teachers to use high-yield teaching strategies

Our school will improve student outcomes by

<ul style="list-style-type: none"> • Purchasing additional STLaN for targeted reading support for students in 4-7 	\$ 36 616
<ul style="list-style-type: none"> • Establishing a "Learning out Loud" program through the employment of an additional teacher to identify and implement an evidence based working memory program targeting P-3. "Rip it Up" 	\$70 000
<ul style="list-style-type: none"> • Building the capacity of staff to ensure long term working memory deficits can be identified and catered to as part of the daily teaching program targeting P-7 "Rip it Up" • Continue to build staff capacity around the use of high-yield strategies – Visible Learning/John Hattie 	\$20 000
